

Lionel Messi - Career Goals

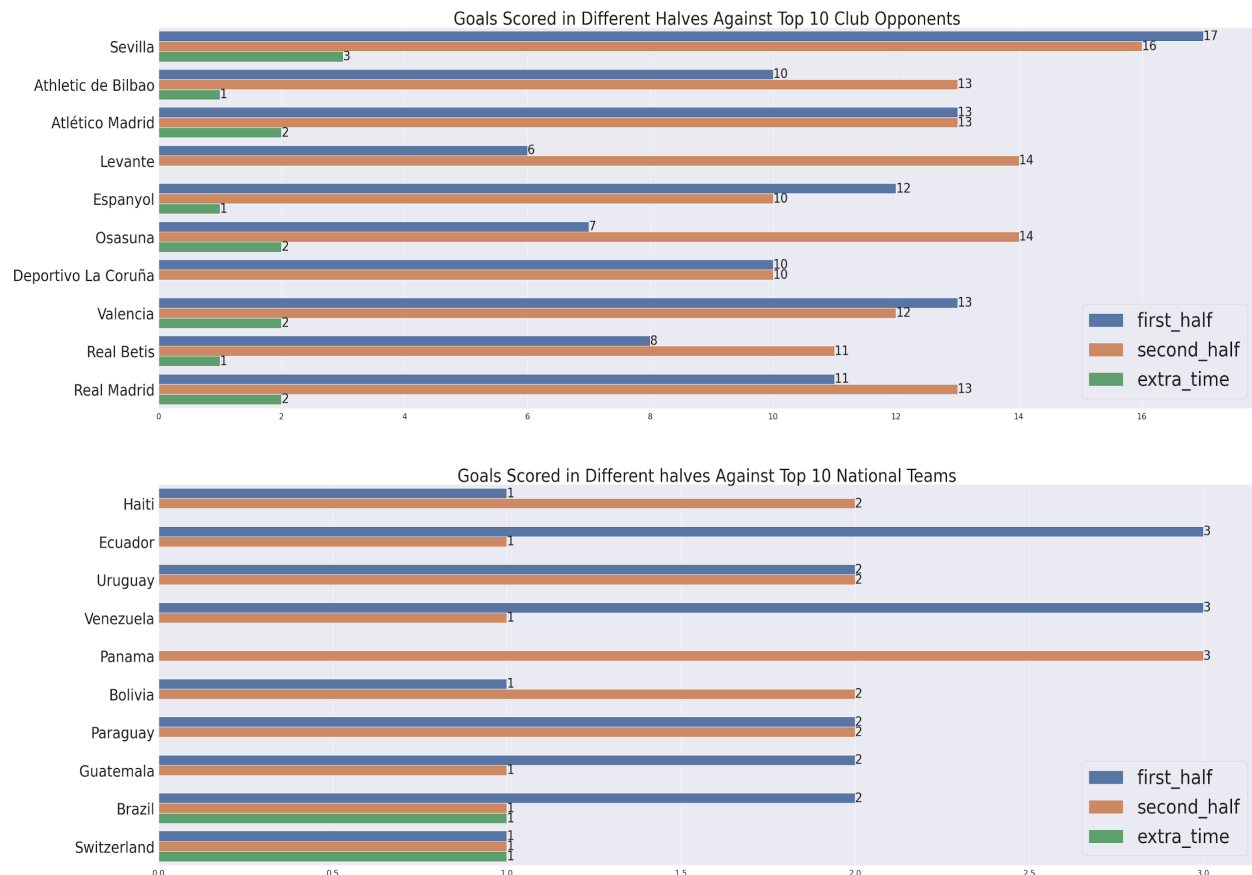

Chart based on different factors in the dataset based on Messi's performance affecting the final game result

Observations:

- In Messi's career in which he scored, he has **won 586 matches**, **drawn 47 matches** and **lost in 18 matches** out of **651 matches** while playing for his club and country.
- Winning percentage is higher whenever he scores in the second half than when he scores in the first half.
- In most of the matches Messi scores with left foot and winning percentage is **90 percent**.
- Whenever he scores with right foot or scores with a header, Barcelona always wins.

Let's try to evaluate the pattern of scoring in different halves against different opponents

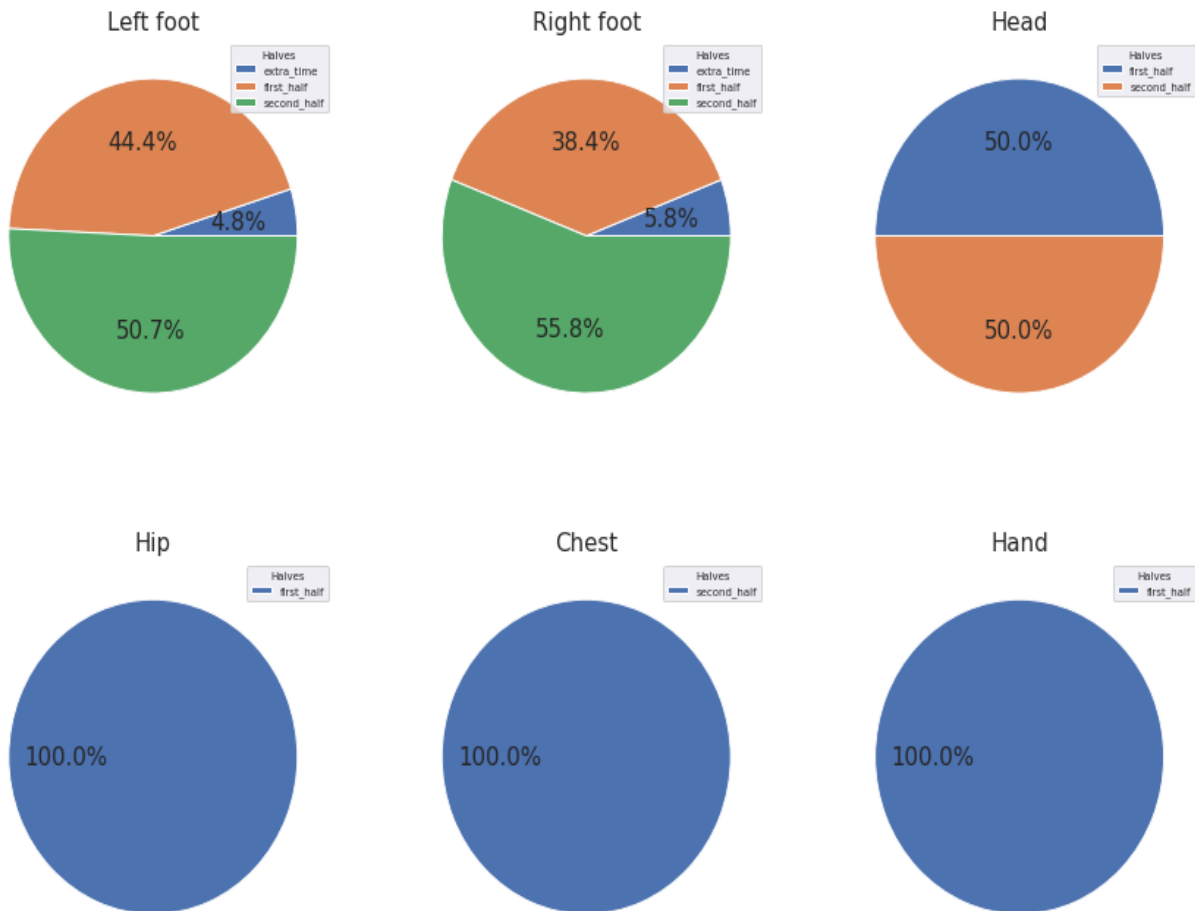

Performances Against Top Spanish Clubs and National Teams:

- In Liga against top clubs, Messi scored more goals in the first half against **Sevilla**.
- His performances against **Real Madrid** are better in the second half than in the first half.
- Against **Atlético Madrid**, his performances are equally good in both halves.
- The majority of goals scored by him against **national teams** are in the **first half**.

How has Messi performed scoring goals with different methods in different halves?

let's evaluate

Goal Method In Different Halves

Observations:

- In all goals scored using left foot and right foot, he **scored more in the second half than the first half** in both cases.
- When comparing two pie charts of right-footed goals and left-footed goals, he **scores more with the right foot in the second half** and **extra time** out of **overall right-footed goals** than he **scores with left foot in the second half** and **extra time** out of **overall left-footed goals**

- In his career, he has equally scored in both halves of the game using his head.
- He could score only in the second half using his chest.
- And could only score in the first half using his hand and hip.

Who are the top ten clubs against whom Messi has scored most times?

Let's find out

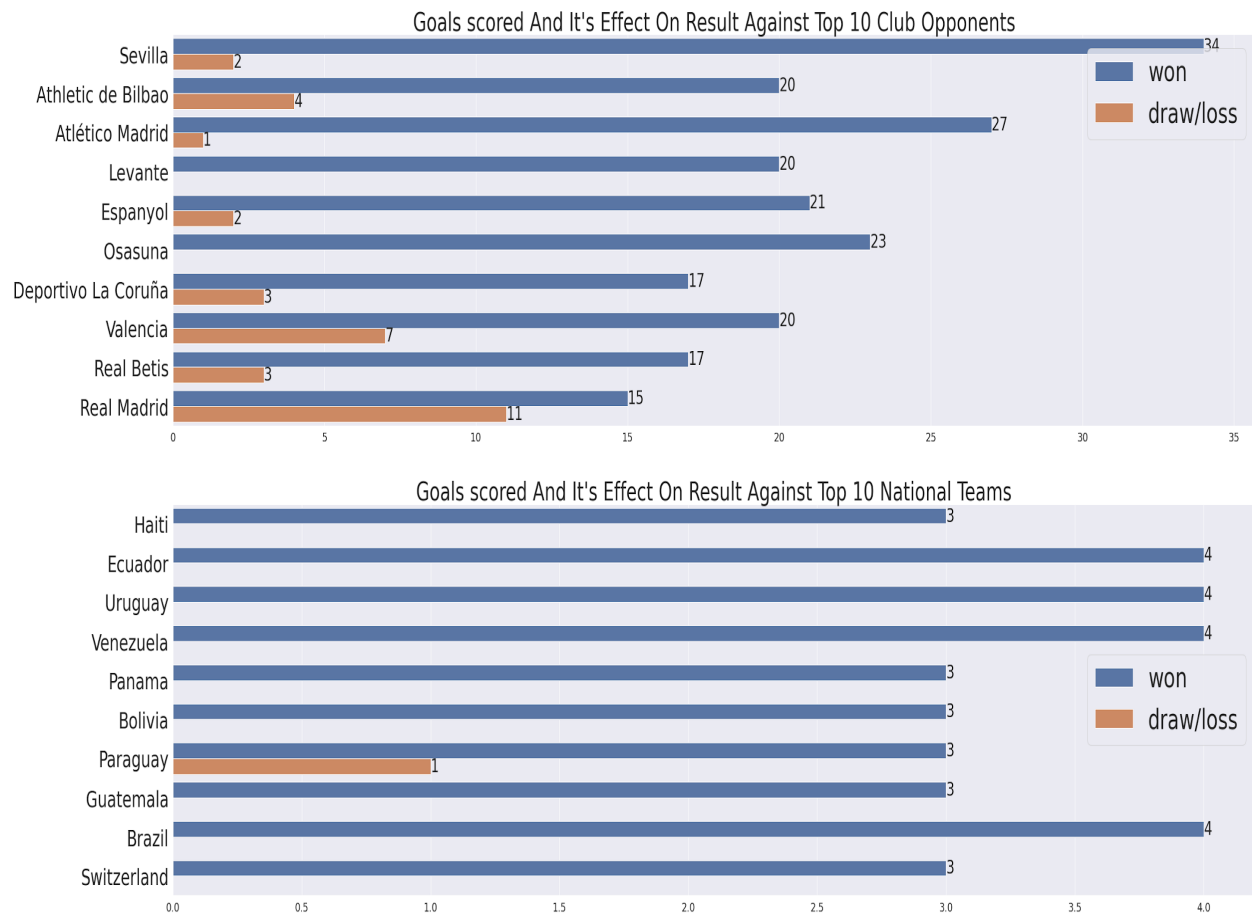

Observation:

- Top ten teams against whom Messi has scored most times are **Sevilla, Atlético Madrid, Valencia, Real Madrid, Athletic de Bilbao, Osasuna, Espanyol, Deportivo La Coruña, Real Betis, Levante.**

Who is Messi's most favorite opponent and how does his scoring affect the final game result?

Let's find

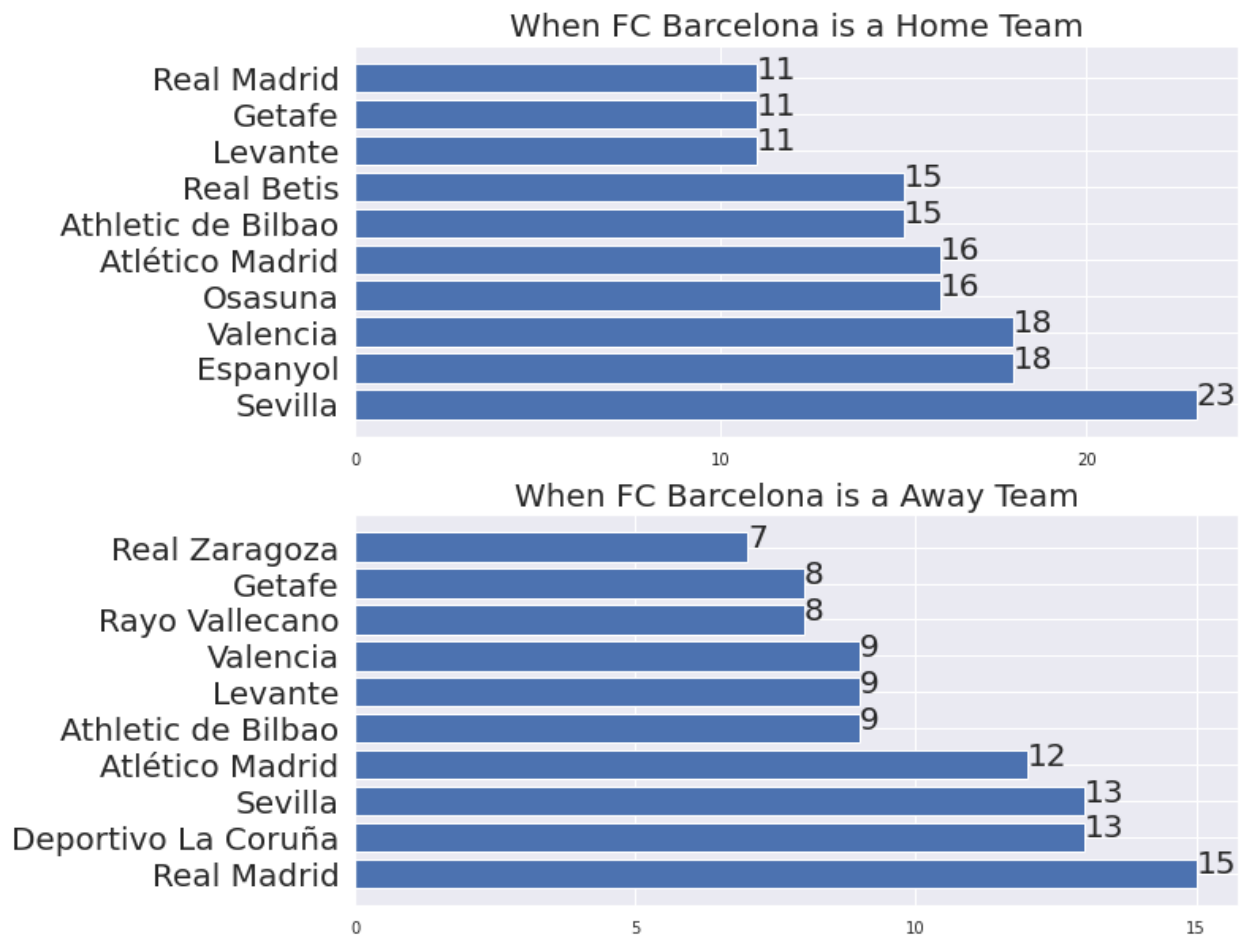

Observations:

- Messi is most successful against a top Laliga club **"Sevilla"** with **34 wins out of 36 matches** in which he scored.
- In total **26 matches** in which he scored against top rival club **Real Madrid** of Spain, he has **won in 15 matches**.
- Against **Atletico Madrid**, his record is amazing, with **winning in 27 matches out of 28 matches** in which he scored.

- His record against top European clubs like **Man City, Man United, AC Milan, Arsenal, Ajax, Tottenham, Bayern Munchen** is phenomenal with winning in most of the matches in which he scored.
- In the national side whenever he has scored against top national teams like **Brazil, Ecuador, Uruguay, and Switzerland** his team has always won.
- The above observations imply that whenever he will score the chances of winning will be much higher.
